		1 Developing Effective Business Presentations	2 Communicating with IMPACT	3 Creating Effective Slides
Length (hours)		7-8	3.5	3.5
# of sessions		1 or 2 on-site / 2, 3 or 4 virtual	1 (on-site or virtual)	1 (on-site or virtual)
Typical learners' profile		Professionals of all levels who must lead meetings, craft compelling stories and create effective slides to bring their stories to life. This exhaustive workshop teaches a thorough process which will help them to structure their ideas and to build presentations from scratch.	Professionals who need to improve their communication skills and become more strategic in order to better influence and persuade. This workshop will help them to better adapt to their audience and structure their ideas to ensure the success of important meetings and communications.	Professionals who create short presentations (2-5 slides) and want to maximize the impact of their slides while saving time. This workshop will teach them how to make slides that are easier to process, to understand and to remember... but does not address structure or storytelling principles.

Length (hours)		7-8	3.5
# of sessions		1 or 2 on-site / 2, or 3 virtual	1 (on-site or virtual)
Typical learners' profile		Professionals working in data-heavy environments, who need to distill large quantities of data into simple business stories and effective data-based visuals. This workshop will help them to turn data into business insights and to make effective data-driven recommendations.	Professionals of all levels who must frequently lead meetings or deliver content to diverse audiences. This workshop explores the attributes of the voice and provides effective tactics to keep audiences engaged in virtual, face-to-face or hybrid meetings.

Better communications, leadership and impact

The PrezExpert process and tools help to focus the right work at the right level. Our leaders now clearly articulate the objectives from the start, making it much easier for presentation developers to effectively reach the right audience with the right message.

We now produce more powerful presentations with fewer iterations.

Compelling feedback from workshop participants

Excellent investment

“Overall, it's a great course, worth the time and cost.”

For all skills levels

“Whether you think you are an expert at creating presentations or not, there is always something to learn to communicate your ideas more effectively. It is the small things that you don't think of that can really take your presentation to the next level. This course is for participants at all levels.”

“Thank you very much for yesterday's workshop; it was very dynamic and instructive, regardless of our proficiency level in PowerPoint.”

For analysts to senior leaders

“I see great value in making this training and resources available to all employees in our company.”

“Excellent program which I would highly recommend to all leaders in our company.”

Applicable every day

“It was obvious even during the class how this can be readily applied to what I do.”

“The workshop was informative, practical and very useful for my job.”

Compelling feedback from workshop participants

Balance between theory and practice

“This workshop was very well balanced in terms of theory and practice, but also individual work vs team work.”

Deeper thinking for greater influence

“I have found that the course has taught me to structure my message according to whom I am presenting to. I find it has also helped me to step back and understand where and how I should structure my information without overloading the page.”

“This workshop will definitely help me in terms of credibility and professionalism.”

Practical tools included

“The material was impressive, especially the *pTOOLS* and the presentation templates customized for our company.”

Seasoned facilitator

“Karl Genest did a fantastic job of presenting the material. He is positive and enthusiastic and knows the subject matter very well. He had the whole class paying full attention throughout the course.”
